And also thanks to all of the event's Gentlemen and Pacers, and especially those of you that stayed on for the presentation of the awards, as without your participation there, of course, would be no event. We apologise for the delay in presenting the awards after the event (we promise this won't happen next year!), and hope that you will join us again for the 41st Grand Prix.

The 40th Anniversary Redmon Grand Prix des Gentlemen was promoted for and on behalf of Cycling Time Trials under their Rules and Regulations.

Due to the late change in course, the Vets standard times were for simplicity retained - they were based on the VTTA 15 mile times – sorry for any confusion.
